

Our Donors 2020-2021

The Global Covid-19 Pandemic resulted in the cancellation of the 2020 Fundraising Dinner. We are extremely grateful to Sponsors, Dinner Ticket Purchasers and Wine Raffle Ticket Purchasers who kindly donated the sponsorships and tickets they had already paid, and to our donors who answered our plea for donations to help mitigate the loss of revenue due to the cancellation of the event. Silent Auction prizes that were already received were included in our 2021 Online Auction.

Thank you to all of our donors for supporting Villa Rosa in so many ways during this challenging year, monetarily and otherwise, so that we could continue providing services to vulnerable moms and babies. We couldn't do it without you!
