

You Can Help Shape Their Future

For a single mother, post-secondary education is an extraordinary challenge when faced with the financial expenses of both family and student life. A post-secondary education raises a woman's sense of self-worth, giving her an improved outlook for the future, and most importantly, a self-sufficient family life.

Our History of Providing Support

Established in 1898, more than 15,000 women have been served by Villa Rosa. We provide education, health, and social services to single women and their families during and after pregnancy. We also offer Individual counselling, life and parenting skills, community outreach, and nutrition counselling to more than 300 women every year.

Residents are vulnerable women who often come from lives of abuse, gang involvement, prostitution, addiction and violence. Villa Rosa offers support, information and the opportunity to live in an alcohol and drug-free environment.

"I wanted to pursue social work and the one barrier I had as a single mom, was not knowing how I could get through university financially. Villa Rosa's Endowment Fund supported me to get an education. Without it, I may never have tried. From the bottom of my heart, I want to thank everyone who has believed in me from the beginning. Your contribution to the Villa Rosa Endowment Fund will help the next young woman who has a dream. Your donation will change a life!"

Cassi Suru, Villa Rosa Social Worker

Villa Rosa Endowment Fund

Making "Real Dreams" come true so that as a community, we see real results!

The Villa Rosa Endowment Fund was established in October 2000 within The Winnipeg Foundation to help make it possible for young women to fulfill a goal of pursuing post-secondary education. The vision and purpose of this fund is to provide, in perpetuity, financial support for young mothers to achieve their independence through education.

- By supporting young mothers to achieve their high school diploma
- By assisting young mothers beyond their stay at Villa Rosa
- Helping young mothers achieve their dreams through post-secondary education
- Funding scholarships for young mothers to pursue the career path of their choice

An excellent way to demonstrate your commitment to the strategic vision of Villa Rosa is by supporting the Endowment Fund.

Our goal is to build a

\$1 million-dollar Endowment Fund.

The capitol is preserved and the income available for granting is determined by the spending policy of The Winnipeg Foundation.
